**Re: Wireline Infrastructure, WC Docket No. 17-84
Implementation of Section 621(a)(1), MB Docket No. 05-311**

Dear Ms. Dortch,

On June 18, 2018, Rick Chessen and Steve Morris of NCTA – The Internet & Television Association (NCTA), Howard Symons of Jenner & Block, on behalf of NCTA, David Don and Jordan Goldstein, on behalf of Comcast, Maureen O’Connell and Christianna Barnhart, on behalf of Charter Communications, and Barry Ohlson, on behalf of Cox Enterprises, met with Brooke Ericson, Chief of Staff to Commissioner O’Rielly, to discuss the above-referenced proceedings. Consistent with prior submissions by NCTA,¹ we requested that the Commission take action in both proceedings to prevent state and local governments from imposing duplicative regulations and fees and other regulatory obstacles that have the effect of hindering the deployment of new facilities and services by cable operators.

This letter is being filed electronically pursuant to section 1.1206 of the Commission’s rules.

Respectfully submitted,

/s/ Rick Chessen
